**School Staff: please fax this form to MDUSD FOSTER YOUTH SERVICES upon enrollment of a child living in foster care.**

Per California Law (AB490) **immediately enroll** any child living in foster care, even if fees are owed to the previous school or the caregiver is unable to produce the records or clothing normally required, i.e. school records, immunization records, proof of residency, or uniforms [EC 48853.5]. Inquire about **partial credits** from previous school. When a foster child's home placement is changed, the student may remain in his or her school of origin for the duration of the school year when doing so will be in the child's best interest [EC 48853.5].
