

**LOCAL SCHOOL  
COMMUNITY MEETING  
MONDAY, DECEMBER 14 AT 7PM**

Please join parents, teachers, staff and principals for this important meeting about protecting academic programs and continuing student success in our local elementary, middle and high schools.

**Our Schools Need Your Help**

By working together as a community we can make a difference in our neighborhood schools. We want your input to help support core academic programs like English, math and science and to attract and retain qualified teachers. Come hear how you can help protect academic programs at your neighborhood school. Join us at this meeting to work together to support education in our community
