Awards

THOMSON REUTERS

U.S. News & World Report

Ranks John Muir Health among Bay Area and Nation's Best

[Learn more →](#)

- For the fifth consecutive year, John Muir Medical Center, Walnut Creek has been ranked one of the nation's top hospitals by U.S. News & World Report in its annual list of America's Best Hospitals.
- Both Concord and Walnut Creek medical centers ranked in Top 3 overall in San Francisco Area.

John Muir Health

- John Muir Health is a community-based **not-for-profit** health system with more than 900 providers.
- JMH owns and operates 23 outpatient practices staffed by over 250 primary care physicians (family practice, internal medicine and pediatrics)
- JMH also has over 600 affiliated specialists.
- Our medical groups and specialists are primarily located throughout Contra Costa County and parts of Alameda and Solano County.

Find a Doctor (many have videos-hear them; see them in their exam room w/a patient)

- It's easy to do...
